Subject.
Arrears of pay due to certain servants of the Sri Narayanaswami temple at Melkote.

LAST REFERENCE:—

Letter No. 165 dated 3rd December 1904 from the Deputy Commissioner, Mysore district.

P. 1268 d: 29.1.03. ordered to be disbursed

praying that their pay which had been withheld for October, November & December 1902 may be ordered to be disbursed, as they had to leave the place owing to severe plague.

certain servants of the temple petitioned this office

The Deputy Amildar of Irech Rocks sub Taluk reported that out of the Establishment charges of

* No. 175/511 d: 19.3.03

Rs 713-11-7 for the months of October, November and December 1902, a sum of Rs 549-15-0 as noted in the margin was brought under savings and stated

October 182-12-0
November 208-0-0
December 159-3-0
549-15-0

that not only the should their pay liable to be withheld but they were liable to punishment on account of their absence from duty without leave and solicited orders as it was an exceptional occasion (plague being very severe at Melkote then). Upon the report of the sub Dy Officer, the Deputy Commissioner recommended that as a special case, their pay might be sanctioned to be disbursed as the

* N-293 d: 30.4.03

temple servants had no means for maintaining
themselves other than their pay from the temple.
The Deputy Commissioner who was asked to state whether
the amount had been credited to temple savings,
and to obtain and forward the Treasury officer's
certificate has reported that the amounts withdrawn
have been duly credited to temple savings.

~~Ofc sanctioning the bill has been submitted~~

Jcs

Out of 202 servants employed
in the temple, no less than 109 persons
absented themselves from duty
owing to plague in the months
of Octr, Novr and Decr 1902.
If pay for these months were
sanctioned to the absentees, it would
make them absent themselves
in future also whenever plague
appeared. As the measure would
create a bad precedent, I think
the prayer shd be refused.

Order thereon

From the correspondence read above, it is observed that, out of the establishment charges of the Sri Narayanaswami temple at Melkote, a sum of Rs 549 15 0 as noted in the margin, being the

total of the pay of the temple
servants for the months of Oct.
Nov^r and December 1902, was withheld
on account of their absence from
duty during those periods, ~~[illegible]~~
~~[illegible]~~ owing to the prevalence
of the plague at

said servants have no other means to

Deputy Commissioner recommends
that the same, which has been
credited to the temple funds may
be disbursed to them as a special
case.

2. With ref^ce to the above,
the Govt observe that out of
the 202 servants employed in the
temple, no less than 109 persons
absented themselves from duty
owing to plague during the said months,
and that if the pay for those months were
sanctioned to the absentees it would
only make them absent themselves
in future also whenever plague
appeared at Melkote - Considering

however the fact that they depend for their livelihood upon their pay, which is only nominal, the Govt are pleased to sanction, as a special case, the disbursement of half their pay for these months, viz Rs 274-15-0 and direct that the other half be withheld as a punishment for their absence from duty. They should be warned that, in future any absence on their part without permission from the local authorities will entail forfeiture of their appointment

3 The charge, viz Rs 274-15-0 will be met from the savings of the ~~Sarvega~~ Sri Narayanaswami-temple to which the undisbursed pay of the temple servants is reported to have been credited
